

## Data Disclaimer

These data provide information about the 2024 microgrant awardees for the Small, Rural, and Tribal Body-Worn Camera microgrant program pending the completion of administrative information. These data were last updated July 2, 2024. The information contained in these data is dynamic and may change over time. These data may be updated in the future and without any notification.

The data on this page are provided "as is", and Justice & Security Strategies, Inc. (JSS) and the Bureau of Justice Assistance (BJA) of the U.S. Department of Justice assume no responsibility for errors or omissions. The User assumes the entire risk associated with its use of these data. Any errors or omissions do not reflect the official records held by BJA. JSS and BJA do not assume any legal responsibility or liability concerning—and make no warranty, express or implied, as to—the data's accuracy, reliability, completeness, timeliness, or usefulness. The data are not better than the original sources from which they were derived, and both scale and accuracy may vary across the data set. These data may not have the accuracy, resolution, completeness, timeliness, or other characteristics appropriate for applications that potential users of the data may contemplate. These data are neither official records, nor legal documents and must not be used as such. JSS and BJA make no other warranty, express or implied, as to the data and any use of the data, for any purpose.

Users of these data agree that JSS and BJA disclaim any responsibility or legal liability of any kind of damages including (but not limited to) lost profits, lost savings, or any other incidental or consequential damages relating to the providing of these data or the use of it. Further, JSS and BJA shall not be held liable for any use or misuse of the data described and/or contained herein. The User bears all responsibility in determining whether these data are fit for the User's intended use. Users of these data are not authorized to represent as JSS or BJA in any business function. Further, these data do not reflect any official policy of BJA or any other associated agency. Any Users wishing to modify the data are obligated to describe the types of modifications they have performed. The User specifically agrees not to misrepresent the data, nor to imply that changes made were approved or endorsed by JSS or BJA.

These data remain the property of JSS and JSS reserves all rights to these data, but provides this information under Fair Use provided that any information derived from these data are properly attributed in the text and bibliography/references of the produced material to JSS.

The use of these data for any purpose results in the implicit agreement by the user to the above terms and conditions.
